

THE MAY BOOK OF THE MONTH:

We have two books...and two fantastic women authors too.

On May the 7th on the Small Business Big Ideas show, we have two authors on. One is Sue Kenney who wrote the book, **My Camino**, a spiritual and life journey that unfolds in the Caminos in Spain. This book is a must read and can be your guide to inspiration anytime you need it. Sue is a beautiful woman who really tells it straight from the heart and in her work and book, encourages the reader to live their best life.

Also on the 7th we have another fantastic woman. One of my favourite authors and guests is Ellie Kay. She's been helping America spend wisely for years and is helping Oprah's viewers get back on track financially. We are going to discuss what we have to do to manage debt. Ellie's book the "**Debt Diet**" and Sue's book "**My Camino**" are tied for the book of the month for May. All I can say is you better be listening to the Small Business Big Ideas Show on May 7th...at 9 am on 107.7 FM and 1350 CKDO Oshawa's Oldies.

The May Line-up

Our guests include:

May 7th:

A little inspiration and a little perspiration. We talk to author Sue Kenney about her book and journey through the Camino's in Spain. Sue has been back several times since the book was launched and we will catch up with her to discuss the lessons that the Pilgrimage teach her each time. One of America's foremost advisors on money matters Ellie Kay is back with us on this show too. Ellie will help us go on the Debt Diet in time for us to show off that bikini at the beach this summer...

MAY 14th:

Our good friend and associate Monique Howat of Confident Girls and Guys will join us to talk about motherhood and how it plays a huge part in our business success. Then...we preview the upcoming Small Business Expo and the Self Employment Benefit training program in Durham with Peter Miller and Ian Kennedy.
